NOTE: If you wish to visit our Nursery—our office and main processing plant is located in Newsome, Texas, on Highway 11, about 8 miles east of Winnsboro, Texas. We have been processing in the city of Winnsboro, but due to the fact that we grow most of our stock in a 5-mile area around Newsome, we have decided that this would save us expense, and make it possible to pass these savings on to our customers.
